

Form 6 Information Day and Careers Talks

The Form 6 Information Day was held on 6 October 2023. The event was attended by both Form 6 students and their parents, with the primary objectives of facilitating improved communication between parents and the school, as well as providing insights into the different prospects after graduation, careers development trends and community resources. Furthermore, our social worker offered guidance on parental role in supporting their children's preparations for the upcoming examinations. To address the careers-related needs of Form 6 students, a series of talks and activities were organized:
