

# Tsuen Wan and Kwai Tsing District Student Exchange Programme

Nine of our students joined the Tsuen Wan and Kwai Tsing District Student Exchange Programme from 27th to 29th April 2015. Participating schools included CNEC Christian College, SKH Lam Woo Memorial Secondary School, Buddhist Sin Tak College, Daughters of Mary Help of Christians Siu Ming Catholic Secondary School, TWGHs Chen Zao Men College and Pope Paul VI College. The programme allowed the student representatives to go to one of the above schools and enjoy three school days, interacting with the students there. The purpose of this programme was to encourage students to broaden their horizons, build up self-confidence and polish their social skills in a different school environment.
