Twin brothers awarded Springboard Scholarship of HKU medical school、HKU Foundation Scholarships for Outstanding Students and the Dean's scholarship

Twin brothers Kelvin Yip Man-kwan and Oasis Yip Man-yin, awarded Springboard Scholarship, set up by the HKU medical school, HKU Foundation Scholarships for Outstanding Students and the Dean's scholarship, were admitted last autumn to the University of Hong Kong's elite medical school - and with scholarship money to pay for their tuition, both say they want to use their education to help others in the city's public health system.
