5A Kwok Ting Ching & 6E Chan Tsz Kiu were shortlisted as the 20 finalists in the Hong Kong Outstanding Students Award 2014-15 after going through a written test, an assessment programme and a final interview.

Organized by Youth Arch Foundation and co-organized by The Outstanding Young Persons' Association, the Hong Kong Outstanding Students Award is one of the most recognized and prestigious awards for secondary school students in Hong Kong.

Applicants would need to go through a written test, an assessment programme and a final interview. Ten 'Outstanding Students' will finally be chosen by a panel of professional judges. The Award not only commends students' outstanding achievements, but also serves as an opportunity for self-discovery and cultivation. Through participation in leadership-training camps, seminars, and exchange activities, students can enhance their self-understanding and broaden their horizons.
