

## 13<sup>th</sup> Healthy Information Student Ambassadors Scheme

To promote the healthy use of the Internet and to encourage teenagers to participate actively in community services, The Office for Film, Newspaper and Article Administration (OFNAA) has launched the Healthy Information Student Ambassadors Scheme, which aims to nurture independent thinking in young people, enhance their ability to judge objectionable materials, and help them to foster a set of positive values and attitudes towards life.

Congratulations to 6D Wan Lap Fung, 6E Fu Tik Wai, 6E Yeung Lok Hin, who were selected to attend training courses of Healthy information Student Ambassadors Scheme. They completed the entire Scheme successfully and were awarded certificates. 6E Yeung Lok Hin performed extraordinarily and won a trophy.
