

The kick-off ceremony of the 5th “Distinguished Master, Accomplished Students” Mentorship Programme

4D Leung Ho Ming, Woody was nominated and enrolled in the 5th “Distinguished Master, Accomplished Students” Mentorship Programme. The programme has invited 54 scientists and engineers to become voluntary mentors for 114 senior form local secondary school students who are interested in Science.

Mr John Lee, Chief Executive of the HKSAR, was invited as the officiating guest for the kick-off ceremony. Our school principal, Dr. Lau Sui Yee was invited to join the ceremony. It is believed that Woody can learn a lot from the distinguished masters and widen his horizons.
