Their remarkable performance received unanimous praise from Mr. Paul Lam Ting-kwok (SBS, SC, JP, Secretary for Justice) and the judges.

7th Secondary School Peer Mediation Competition 2024 was co-organized by Rotary International District 3450, Joint Mediation Helpline Office, Academy of Guangdong-Hong Kong-Macao Greater Bay Area Joint Mediation. The competition aimed to promote mediation and advocate for conflict resolution through effective communication, thereby fostering a culture of peace. In addition to the competition, as in previous years, Peer Mediation Competition 2024 provided introductory workshops and professional coaching sessions to equip secondary school students with essential communication and listening skills. These skills can be applied not only at home but also in resolving conflicts among their peers.
