

## Student Leung Kwok Chee Kosumo Offers Musical Tribute to National Day at Tsuen Wan Youth Talent Show

In celebration of the 77th anniversary of the founding of the People's Republic of China, the Tsuen Wan Youth Talent Showcase was held in Tsuen Wan on October 2. Leung Kwok Chee Kosumo, a member of our school's Orchestra, was honoured to take part in this prestigious event.

An active performer both within and beyond the school, with remarkable accolades to his name, Kosumo previously placed in the top three in the Hong Kong region of the Euroasia Competition and advanced to the finals in Malaysia—a testament to his outstanding musical ability. At the Showcase, he delivered a heartfelt rendition of Joseph Haydn's classic Piano Sonata in A-flat Major. Through elegant, refined notes and lively, flowing rhythms, he offered his purest and most sincere wishes for the anniversary of the Motherland.
