

English Week

(23-27 March 2015)

The theme of English Week this year is “**Dreams**”. Posters depicting various aspects of the theme were put up at different places in the school. There were games and activities which encouraged students to read the information about different people’s dreams. Displays and game stalls in the covered playground were very popular among students at the lunch break during the week. The English Café became a hive of activity, where movies, language games, puzzles and Scrabble were played. The week ended with a very successful debate, a much-enjoyed English Quiz, and finally a delightfully funny and very well-acted drama performed by members of the English Drama Club.

The results of the major competitions of English Week are as follows:

Competition	Champion	Second place	Third place	Best debater
Inter-house English Debate	Elegance	Integrity	/	Parco Sin 5D
Inter-house English Quiz	Loyalty	Benevolence	Elegance
