

Report on the Use of the Promotion of Reading Grant

2018-2019 School Year

Part 1: Evaluation of the Effectiveness

1. Evaluation of the objective: **Students gave better response to the reading activities organized by the school library - more students won the platinum and even super prize in the activities. They also did better in the morning reading session with the help of class teachers.**

2. Evaluation of strategies: **Students showed positive response to “Kindle” books, the school will purchase 10 more devices next year and enrich the content with more books recommended by teachers. Moreover, students were more used to the practice of morning reading and compiling the reading portfolio(e.g. evaluating the effectiveness of strategies employed to create a reading culture based on the change of number of books borrowed by students, the scope of the reading activities)**
