Dear Parents and Students

Due to the uncertainties caused by the COVID-19 epidemic, the Education Bureau has extended school closures until 16 March 2020.

In order to ensure public safety and to minimise the risk of the spread of COVID-19 in the community, the school has acted on the advice of its Incorporated Management Committee (IMC) to cancel the F.1 Admissions Interviews scheduled for 14 March 2020.

Therefore, the selection criteria for the F.1 Admissions have been amended accordingly. Candidates will be selected based on the following criteria:

- candidates's academic results ranked by the Education Bureau (80%);
- candidates's performance in extracurricular activities and achievements attained as provided in the application form (20%).

As always, our school will continue to endeavor to provide quality education to students in the district.

We appreciate your understanding of the necessity for these arrangements at this time.

Should you have any questions regarding the arrangement, please do not hesitate to contact us at 24966000.

Yours faithfully

Tse Yun Ming

Principal
