

The Sister School Scheme

Through the connections of the Education Bureau and the Hong Kong Federation of Education Workers, our school has formed sister school pairs with the following two outstanding schools in China:

- 1) Shenzhen Foreign Languages School (Group) (School website: <https://www.sfls.net.cn/>)
- 2) Fengtai No.2 Middle School of Fengtai District, Beijing (School Weibo page: <https://m.weibo.cn/u/2141953651>)

To enhance understanding and communication, strengthen cultural interflow, and achieve mutual advancement, inter-school activities will be carried out in the near future.
