

ENGLISH WEEK 2021-2022

“ Let the Music Speak” was the theme of English Week 2021-2022. Students learned English through music by participating in a variety of activities throughout the week.

Various posters related to music and language learning were displayed around the school. A writing contest regarding music was held for all students. During the morning sharing session, student representatives introduced the English Week and shared some music trivia. There were preliminary rounds of Scrabble and Lyrics Translation competitions after school. A number of inter-house competitions took place on the Big Day of English Week, including the Kahoot Quiz, Impromptu Speech and MTV Production.

At the end of the day, the play of A Midsummer Night’s Dream performed by our school Drama Team was broadcasted. With the plentiful activities arranged during English Week, students could learn English at their own pace in a relaxing yet fun environment.
