

2C Zhang Hannah and 3C Zhang Siu Tan, Tiger participated in the 3rd “Chinese Culture Experience Camp” organized by CUHK

The 3rd “Chinese Culture Experience Camp” at New Asia College, The Chinese University of Hong Kong, was successfully held from July 15 to 17, 2025. Our students—2C Zhang Hannah and 3C Zhang Siu Tan, Tiger—were honored to be selected to participate. They were deeply enriched by first-hand experiences of the breadth and depth of Chinese culture on CUHK’s campus.

Throughout the camp, Hannah and Tiger engaged in a variety of meaningful activities. They attended a Chinese opera sharing session, participated in a hands-on kung fu experience, learned the delicate art of paper-cutting in a workshop, and tried their hand at making dumplings at Yun Chi Hsien. They also explored the cultural significance of chess through an interactive “Chess and Chinese Culture” activity and studied calligraphy and painting. A highlight of the camp was witnessing Master Joe Kwong of the New Asia Kung Fu Society perform a mesmerizing face-changing act, showcasing his extraordinary artistry.

At the closing ceremony, both Hannah and Tiger were awarded certificates by Professor Hector Sun-on Chan, the Head of New Asia College. They posed for a commemorative photo with our Principal, Dr. Lau. We extend our heartfelt gratitude to New Asia College of The Chinese University of Hong Kong for offering this invaluable opportunity. It has opened the door to Chinese culture for our students and deepened their appreciation of their motherland’s splendid civilization. Our students are determined to continue their efforts and carry forward the heritage of Chinese culture!
