

Joint School A Cappella Show - Resonancia

On the evening of April 26, 2026, from 6:00 PM to 9:00 PM, our school co-organised the Joint School A Cappella Performance – Resonancia alongside Queen’s College and Shung Tak Catholic English College. Held in the Queen’s College School Hall, the event was a resounding success. This collaborative initiative provided a professional stage for students to showcase their talents while fostering musical exchange and inter-school cooperation.

On the day of the performance, a cappella teams from nine schools took turns on stage, performing various pieces using only the power of the human voice. The students’ precision and seamless chemistry fully demonstrated the unique artistic qualities of a cappella and the essence of teamwork. The high standard of the performances earned unanimous praise from the audience of teachers, students, and guests.

This joint-school showcase did more than simply enrich campus cultural life; it actively promoted the development of the musical arts and deepened friendships among students from different schools. Throughout the process of preparation and performance, students reaped significant benefits, including enhanced musical literacy, communication skills, and a stronger spirit of collaboration.
