

"Smart Bay Area · Innovating the Future"

AI Creative Writing and AI Short Film Creation Competition

Huge congratulations to Kenneth Lau Lap Kan (4D), who stood out among a highly competitive field to win the Second Prize in the AI Short Film Creation Track! The award ceremony took place on Saturday, May 9, 2026, at the Pui Ying Secondary School hall.

Hosted by Guangzhou Huashang College, the 2026 "Smart Bay Area · Innovating the Future" competition has officially come to a successful close. Designed to showcase the AI innovation and talent of youth across the Guangdong-Hong Kong-Macao Greater Bay Area, the event drew enthusiastic participation from 21 schools, bringing in 866 creative writing pieces and 115 short film submissions.

Congratulations once again to Kenneth on this fantastic achievement!
