

Joint-School Flag Raising Ceremony for National Constitution Day and the Legislative Council General Election Action Day

The "Joint-School Flag Raising Ceremony for National Constitution Day and the Legislative Council General Election Action Day," organized by the Association of Hong Kong Flag-guards, underscores the vital importance of fostering students' national identity and deepening their understanding of the Constitution. This meaningful event sets an exemplary model for the education sector across Hong Kong.

On December 1, 2025, our teachers and students gathered for the ceremony, during which a "Speech Under the National Flag" was delivered to promote the spirit of the Constitution. To commend our school's active participation and dedication to national education, the Association presented us with the "Active Participation Award" trophy. Furthermore, 3C So Yee Sum and 4B Cai Haoxuan were awarded Certificates of Commendation.
